

Are you ready to work at a Corporation that is commercially focused, highly innovative and offers great opportunity for learning? If you believe that you are a dynamic, zealous, and highly committed individual with exceptional work ethic, BDC is looking for you, to join a team that is driving the investment arm of our country and contributing greatly to the economy.

INVESTMENT OFFICER

You will assist Senior Investment Officers to identify viable investment transactions through mapping, research and pipeline management. You will analyse financial statements, prepare financial models, and conduct industry, market and company research as well as participate in all aspects of the Corporation's deal approval process.

You will have a Bachelors' degree, with a minimum of 3 years' experience in the financial services sector; 2 years of which should be in corporate finance, accounting, investment banking, private equity, venture capital or strategy consulting. Strong financial, analytical, and modelling skills will be a requirement. A professional qualification such as CFA or CIMA will be an added advantage.

JUNIOR INVESTMENT ANALYST

Working directly with other Investment Professionals the candidate will be responsible for appraising new investment opportunities and support portfolio management process, analyse financial statements, prepare financial models, conduct industry, market & company research as well as participate in all aspects of the Corporation's deal approval process. You will also assist in the provision of pertinent information for the development and review of investment strategies, targeting investment opportunities locally, regionally, and internationally.

To thrive in this role, you must demonstrate proficiency in corporate finance, accounting, investment banking, private equity, venture capital or strategy consulting. You must have a Bachelors' Degree and previous work experience of up to 2 years will be an added advantage.

BDC RECRUITMENT PROCESS ACKNOWLEDGES PEOPLE WITH SPECIAL NEEDS.

REMUNERATION

BDC offers a commensurate package with attractive benefits.

Only candidates who meet the above requirements need apply by submitting their curriculum vitae and copies of certificates to recruitment@bdc.bw not later than 04 February 2021.
